Letter from Khan Bahadur J.Hussain, Bar at law, Collector South Kanara, R.O.C.No. 1821-L-32, dated the 15th Febry.,32:

The two temporary draftsmen were first entertained for thi district in 1927 for one year. They have been retained si then on annual sanction by the Government. Their retention for 1931-32 was sanctioned in G.O.No. Mis.714 dated the 27th March 31. The sub division work in this district continu to be heavy. The number of sub divisions sanctioned for the year ending 31st January 1930 was 9855 for the year ending

31st January 1931 12.441 and for the year ending 31st January 1932, 9667 The average of these 3 years comes to 10.653 sub divisions. The number of sub divisions is likely to increase this year due to the increased number of darkhast cases in every taluk. According to the outturn fixed by the Land Records Director, the scrutiny and plotting of 10,653 sub - divisions will engage the three draftsmen for 8 months nearly. But in this district the scrutiny and plotting of sub divisions has been found to be peculiarly difficult and an outturn of 200-250 sub divisions including scrutiny and plotting was found to be sufficient in Mr.Watson's report (the then Director of Land Records) Dis.No.533/20 dated 16-12-1920 to the Board, a copy of which was submitted to the Board with this office report, Ref. AC.No. 1222-L-27 dated 5-2-1927. The difficult nature of the work continues as before.

necessary. I request that the Government may be moved to sanction the above temporary establishment. The cost of retention of this establishment has been included in the budget estimate for the year 1932-33 under "5 (a) Land Revenue – Charges of Administration –Taluk establishments

Reference.–

Submitted to Government for orders.

2. The cost will be met from the provision made in the budget estimate for 1932-33 under '5a Land Revenue - Charges of Administration-A-Taluk establishments- a A 1- Pay of establishments'.
